About the Conference Asia for Earth

Global climate change and Ecological crisis is the biggest concern today, on which every researcher and responsible research universities must work to contribute innovative solutions. Potential Universities / Research centers and higher educational institution of Asia are joining with each other and ISERS –International Society for Environment Relationships and Sustainability to combinely organize “Asia for Earth” at Bali, Indonesia from 1st to 3rd June'2022. Asia for Earth is a conglomeration of leading international Universities like Philippines Normal University, Philippines, UIN Malang Indonesia, Xiamen University, Malaysia and Sister Nivedita University India that welcomes applications from all other leading Universities of Asia to jointly organize this world class conference. Asia for Earth, Bali includes marvelous Conference series like Go Green summit and Climate change conference which have outstanding track record of success in term of creating a fantastic networking and knowledge sharing opportunities. The Schedule of the Conference series “Asia for Earth” is given below for your kind perusal:

1-Go Green Summit , 1st June 2022, Bali, Indonesia

2-Climate Change Conference 2nd June 2022, Bali, Indonesia

3-IC EDUMAS , 3rd June 2022 , Bali, Indonesia

International Society of Environmental Relationship and Sustainability (ISERS)

International Society of Environmental Relationship and Sustainability (ISERS) is one of the world's largest non-profitable professional associations operating under Technoarete Research and Development Association (TRADA) meant for research and development in the field of Environmental Sustainability and Climate Change. ISERS is a paramount body which has brought technical revolution and sustainable development on environmental planning, research, and management.

Keynote Speakers

Dr. Ir. Gede Sedna
Rector, Dwijendra University,
Bali, Indonesia.

Mr. Alan Tupicoff
CFO,
Executive Board F.O.S
President of ANZISM
Australia

Dr. Sangam Shrestha
Professor,
Water Engineering & Management (WEM)
Department Head,
Department of Civil & Infrastructure
Engineering (CIE)
School of Engineering & Technology (SET)
Asian Institute of Technology
Thailand.

Dr. Naori Miyazawa
Nagoya University,
Japan

Dr. M Jasin
Indonesia

Dr. Saied Pirasteh
Head of GeoAI Smarter Map and
LiDAR Lab
Southwest Jiaotong University, China
Research Collaborator,
Waterloo, Ontario

Mr. Alok Raj Gupta
Founder at ENVECOLOGIC
New Delhi,
India

Prof. Dr. Abdus Samad
Professor at Indian Institute of
Technology Madras,
Board member and Mentor of
Viriya Paramita Energy Pvt Ltd,
Chennai

Mr. George Barber
Innovative Exploration for
All Natural Resources
Terra Energy & Resource Technologies, Inc.
Director, PT. Indonesia - International
Energy Solution Partners
Indonesia

Dr. Narayan Shrestha
Climate Change Project Manager,
Aberdeen Multicultural Centre,
Greater Aberdeen Area,
United Kingdom.

Serge Morand
Faculty of Veterinary
Technology
Kasetsart University,
Thailand

Mr. Mark Jacinto
Online SDG Youth Action
Forum, Philippines

**Assoc. Prof. Ts. Dr. Mohamad
Faiz Bin Mohd Amin**
Associate Professor and Dean,
Faculty of Earth Science,
Universiti Malaysia Kelantan
Malaysia

**Dr. Mohammad
Muqtada Ali Khan**
Senior Lecturer
Faculty of Earth Science,
Universiti Malaysia Kelantan,
Malaysia

Denise M. Fontanilla
Associate in Policy Advocacy
Institute for Climate &
Sustainable Cities
Philippines

Dr. Wafik Noseir
Member of world congress
for environment
Egypt

Guest Speakers

**Ambassador Smily
Mukta Ghoshal,**
Dallas, Texas, USA

Prof. Dr. Bhairav B. Kulkarni
BAMS MD(Ayurved) , Ph.D(Scholar)
Director,
Shree Siddhivinayak Ayurved
Panchakarma Center,
Aurangabad, India

Dr. Kali Charan Rath
Associate Professor
Department of Mechanical Engineering
GIET University, Gunupur,
Odisha, India

Ar. Abhinav Chaturvedi
Additional Principal &
Associate Professor
NIMS School of Architecture & Planning,
NIMS University
India

Dr. Dilip Ganguly,
Ex. Additional General Manager,
Indian Ordnance Factories Services,
Ministry of Defence,
Govt. Of India
India

Dr. Ir. Gede Sedna
Rector, Dwijendra University,
Bali, Indonesia.

Dr. Marzuki Alie
Rector
Universitas Indo Global
Mandiri (UIGM)

Universitas Indo Global Mandiri, Indonesia

Universitas Indo Global Mandiri (Indo Global Mandiri University) established in 2008, is a private higher-education institution located in the metropolis of Palembang (population range of 1,000,000-5,000,000 inhabitants), South Sumatra. Officially recognized by the Kementerian Riset dan Teknologi/Badan Riset dan Inovasi Nasional, Republik Indonesia (Ministry of Research and Technology/National

Research and Innovation Agency of Republic Indonesia), Universitas Indo Global Mandiri (UIGM) is a very small (uniRank enrollment range: 250-499 students) coeducational Indonesian higher education institution. Universitas Indo Global Mandiri (UIGM) offers courses and programs leading to officially recognized higher education degrees such as pre-bachelor degrees (i.e. certificates, diplomas, associate or foundation), bachelor degrees, master degrees in several areas of study. See the uniRank degree levels and areas of study matrix below for further details. UIGM also provides several academic and non-academic facilities and services to students including a library, as well as administrative services.

Dwijendra University Denpasar, Bali, Indonesia

Dwijendra University Denpasar is one of the educational units, namely higher education under the auspices of the Dwijendra Denpasar Foundation. The embryo born at Dwijendra University started from the Bali Traditional Architecture College, then on July 28, 1982 it was merged into Dwijendra University. The establishment of Dwijendra University, with its main scientific pattern, namely Culture and religion by giving special meaning to Balinese culture, is expected to provide a double-dimensional orientation, namely living the past as a guide for comparison of the present and the future. This dimension is described in the selection of the type of Faculty, Study Program and program level as a step in the development of Dwijendra University. Dwijendra University maintains 5 Faculties with 10 Study Programs and is held legally in accordance with applicable legal provisions contained in the granting of operating permits and is accredited by BAN-P. The realization of Dwijendra University as a leading university in implementing the Tri Dharma of higher education which includes excellence in the fields of education, research and community service.

Institut Teknologi Nasional Malang (ITN), Indonesia

Institut Teknologi Nasional Malang (National Institute of Technology Malang) established in 1969, is a non-profit private higher-education institution located in the urban setting of the large city of Malang (population range of 500,000-1,000,000 inhabitants), East Java. Officially recognized by the Kementerian Riset dan Teknologi/Badan Riset dan Inovasi Nasional, Republik Indonesia (Ministry of Research and Technology/National Research and Innovation Agency of Republic Indonesia), Institut Teknologi Nasional Malang (ITN) is a small (uniRank enrollment range: 5,000-5,999 students) coeducational Indonesian higher education institution. This 51 years old Indonesian higher-education institution has a selective admission policy based on entrance examinations and students' past academic record and grades. ITN also provides several academic and non-academic facilities and services to students including a library, sports facilities, financial aids and/or scholarships, study abroad and exchange programs, as well as administrative services.

Maulana Malik Ibrahim State Islamic University Malang, Indonesia

Maulana Malik Ibrahim State Islamic University Malang was established based on Presidential Decree No. 50 dated June 21, 2004. UIN Maulana Malik Ibrahim Malang is the best Islamic university in Indonesia. Success in developing an educational model that combines the traditions of universities and pesantren. Excellent in delivering skilled academicians in Arabic and English. Achievement in printing al-Qur'an students memorized. Towards a World Class University and being the best choice for students from more than 16 countries. With a magnificent and modern physical performance, we are committed to producing graduates who are predicated as scholars who are professional intellectuals and/or professional intellectuals who are scholars. While asking for Allah's blessing and guidance, we aspire to make UIN Maulana Malik Ibrahim Malang a Center of Excellence and Center of Islamic Civilization as well as to implement Islamic teachings as a blessing for the universe

Xiamen University, Malaysia

Xiamen University Malaysia (XMUM) is the first overseas campus set up by a renowned Chinese university and the first Chinese university branch campus in Malaysia. Located in the vicinity of Bandar Kota Warisan, Sepang, Selangor. It is built on an area of 150 acres with a planned total floor space of 470,000 square meters. Except for Chinese Studies and Traditional Chinese Medicine, the medium of instruction for all other programmes is English. Xiamen University Malaysia aspires to become a university with a distinct global outlook, featuring first-class teaching and research, and embracing cultural diversity.

Sister Nivedita University, India

Sister Nivedita University (SNU) at New Town, Kolkata has been established through enactment of The Sister Nivedita University Act, 2017 (West Bengal XLIX of 2017). SNU, being unique of its own kind is built on the path of Sister Nivedita, blessed under the shadow of Swami Vivekananda. The university offers educational programs and research in a wide array of subjects, under disciplines like Engineering and Technology, Science, Medicine, Management, Law, Humanities, Language and Literature, Pharmacy, Architecture, Social Sciences, Performing Arts, Sports, Media, Design, etc. SNU aspires to provide a transformative impact on the society through its inclusiveness a continuous innovation in education that comes from encouraging creativity, entrepreneurship, and research.

Malaysian Allied Health Sciences Academy (MAHSA), Malaysia

MAHSA (Malaysian Allied Health Sciences Academy) was founded in 2004 by Professor Tan Sri Dr. Hj. Mohamed Haniffa, whose vision involves the creation of a stronghold academic excellence in the South-East Asian region. MAHSA University's vision is to produce qualified and compassionate professionals to serve the needs of the country in line with the national goals and the government transformation plans in the 21st century. Today MAHSA University has students from 75 different countries and not just from the region of Asia, but as far as Australia, the United Kingdom, the United States of America and Canada.

MAHSA University is fully accredited by the Malaysian Qualifications Agency (MQA) and awarded ONLINE UNIVERSITY status by the Ministry of Education Malaysia. Moving into the third decade of the 21st Century and aligning with the demands and capabilities of IR4.0, MAHSA envisions to lead research, innovation and enterprises in the areas of its expertise. The online university status allows MAHSA to provide border less education through its dynamic Learning Management System (LMS) that brings an education beyond the limits of physical expectations. Thus, MAHSA University fits the convenience of achieving a dream, an ambition - a world of opportunities at the tip of one's fingers through a range of OPEN & DISTANCE LEARNING programmes that is made to redesign the future of academic learning!

Philippine Normal University, Philippines

The phrase "normal school" is traceable "e`cole Normale", the institution for higher learning in France in the 18th Century. To the French The Philippine Normal University is a public coeducational teacher education and research university in the Philippines. It was established in 1901 through Act No. 74 of the Philippine Commission for the education of natives of the Islands in the science of teaching. The main campus of the university is in the city of Manila with branches in Prosperidad, Agusan del Sur, Alica, Isabela; Cadiz City, Negros Occidental; and Lopez, Quezon.

Universiti Malaysia Kelantan, Malaysia

The Universiti Malaysia Kelantan is a public university in Kelantan, Malaysia. The formation of the university was mooted during the tabling of the Ninth Malaysia Plan and approved by the cabinet of Malaysia on 14 June 2006. It is located in the Bachok district, near the tourist area of the Tok Bali beach. UMK began operating officially on 1 September 2006. The campus covers an area of 553.8 acres and is being developed in two phases with the first phase covering an area of 254 acres with the other phase occupying the remaining 300 acres of landscape in the future. Part of the campus is made up of a former paddy plantation which is suitable for development. UMK offer quality and relevant academic programs and training, high commercial value research and innovation, effective and efficient services, with high priority in providing conducive environment and fulfilling social responsibility

Publication Opportunities

We feel privileged to announce our partnership with leading publishers of world like Elsevier where students, researchers and faculties will get opportunity to publish their research articles presented in the conference related to environment in the journal **Environmental Challenges** indexed at Scopus. Moreover, the accepted research works in Asia for Earth 2022 will be published in the conference proceeding which will be submitted for indexing at CPCI, WoS and Scopus.

Important Dates

Abstract Submission Deadline
10th May 2022

Registration Deadline
12th May 2022

Awards

- * Planet Leader Award
- * Women excellence award
- * Best Paper Award
- * Best Oral Presentation
- * Best Poster Award
- * Defenders of Earth Award

..... Program Highlights

- * Opportunity to present your research paper at a global platform
- * Watch and interact with eminent speakers
- * Prestigious Awards
- * Panel Discussions
- * Student's forum
- * Special session for young Environmentalist
- * Recognized certifications for all participants
